

11-10-13

Hello Coaches,

I have a few notes for you from the last two regional rep. meetings, information about the Southern California Championships at Orange, and California State Games.

The request to bring back the one day amateur card was denied.

Effective 1-1-14, all events at sanctioned contests will need an amateur card. This includes Super Tots and beginner events. Clubs/rinks may host their own promotional contests w/out sanctions & amateur cards if the operator/s agrees.

The SCC at Orange on Dec. 8, 2013, will have the usual beginner events & Super Tots – no amateur cards necessary.

Skaters may skate two events per discipline, including an "A" challenging to an "A".

Jr. WC & WC will skate short program.

Entries are \$15. per event.

CSG will be held at Orange on February 16 & 17.

The draw will be in the program at SCC Dec. 8, & sent out shortly thereafter.

Entries are \$25 for the first event, \$15. for each additional.*

No Amateurs cards necessary.

Adult dance events that have two repetitions will skate two dances.

Jr. WC/WC FS skate short & long.

Skaters may skate 2 events or their choice per discipline.

Show Events:

- Creative Couples – no overhead lifts.
 - Elementary (both skaters)
 - Elite (one skater)
 - Open (neither of the above)
- Sixes Group – 6 skaters
- *Small Group – 7 to 12 skaters - \$100.
- *Large Group – 13 +skaters - \$150.
- *Jr. Precision team – 8 to 16 skaters \$100.
- *Sr. Precision Team – 12 – 24 skaters \$150.

It is my goal to have award ceremonies & opening ceremonies.

Please call, text, or e-mail w/reasonable questions & concerns.

Thanks ,

Rene` Johnson
