

2016 Winter Games Invitation

Fellow Roller Skating Enthusiast(s),

The Fountain Valley Skating Club and Skating Center cordially invite you to this year's Winter Games. Coaches, please remember that the seasonal games are meant to be introductory completions for beginners. As such, skaters who have participated at a Regional Championship should not attempt to register.

We know how crazy getting those entries in can be, so we are going to try something new. See the Winter Games Registration Packet for detailed information on submitting entries and fees. For now, it will suffice to say that **registration will occur online**.

Registration site: www.fvsc.com/winter-games-2016.

Fees: \$10 for the first event, \$5 for each additional event

Fees are due no later than Dec. 4th

Those who register online on or after Monday, Nov. 28st must pay their dues at the door

Final entry fees should be submitted by mail to FVSC on a single check

Anticipated preliminary schedule release date: Nov. 25th

Location: 9105 Recreation Cir, Fountain Valley, CA 92708

The schedule will be posted as usual on the www.scal-sk8.org site. In addition, we will be posting information and resources to www.fvsc.com/winter-games-2016.

There will host a Skaters' Social after the contest at a local restaurant so the new skaters can start building those friendships. Ice-breaker games will be played and fun will be had, so we hope you encourage your skaters to attend. Location TBD.

Contact Jackie Cross at jackiecrossskates@gmail.com if you have any questions, suggestions, complaints, or compliments.

We are delighted to be your hosts as you introduce your new skaters to the wonderful world of competitive skating. Thank you for your contribution to our sport.

Sincerely,

The Fountain Valley Skating Club and
Skating Center
