

Dear Coaches, Skaters, and Parents,

We thank you for sending in a tentative entry to give us an idea of how many skaters/events might be needed for this year's SW Regional Qualifying Championships. As you may know, we are having our Regionals much earlier this year, due to an early Nationals, and has caused some challenges. We are trying to minimize any interruption with kids still in school, while attempting to give the opportunity for all our SW skaters a chance to qualify to Nationals. We have the following blocks by divisions, to help you plan out your travel for the Memorial holiday weekend and our Regionals.

Please see below the blocks that are mapped out for your convenience:

- All Adult Solo and Team dance events
- Classic Freeskating events
- Gold Medal Tests (once Adult events are completed)

- Youth A Dance and Freeskating events
- WS Youth & Elite (compulsory, style, short programs)

**Sincerely,
SW Regional Board**
